

Technology Connectivity Certification

The connectivity of the SIP Trunking Service Provider

phonestar*

has been successfully certified at the SIP Trunking Interface of OpenScape Business V3R4.

Helbling Networks GmbH is now entitled to label their SIP Trunking Service with the OpenScape Business certified ITSP emblem.

This certificate is valid in Switzerland in conjunction with the test report and the notes contained therein. The notes are published in the Unify Wiki: https://wiki.unify.com/wiki/Collaboration_with_VoIP_Providers.

The test report is focused on the functionality of the SIP Trunking interface. Test of overall feature functionality of solutions is not part of this certification.
